

Stripmaster Program Download & Installation

1. Enter your username and password for the DEVO Capital Web page. (to request a password, call 970-264-4399 or 'request a password' on the webpage)
2. Click Log in.
3. Click on Strip Master on the left menu.
4. Click on Client Version Stripmaster 2014.exe
5. Click run
6. Click run again
7. Click on extract (this will automatically install the Stripmaster program on your desktop labeled: DEVO Capital Stripmaster).
8. If you are upgrading from an older version, click Yes to All

Run the Stripmaster.

1. Click on the Stripmaster program from your desktop.
2. When you open the Stripmaster, enter the Stripmaster password (different from webpage password; to receive the Stripmaster password, call 970-264-4399 or email Chelsea@devocapital.com)
3. Then click on enable macros/enable this content
4. The program will then ask you if you want to update data, click yes.
(Following the data update, you may be prompted with an FTP Log On. Select Anonymous and then Okay. If in the future, the FTP Log On pops up, always select or keep it on anonymous).
5. To select the type of quote you want, use the option tabs in the bottom left corner of the spreadsheet (strip, collar, cap, floor, basis).
6. After selecting the type of quote you want, use the drop down boxes to set all the Parameters (example: click on the first month to use the drop down menu, or click on the number cell for number of months to use the drop down menu).
7. You can change the criteria on each section separately as you wish.
9. When done/finished with the Stripmaster program, exit out of the program as you would any other excel spreadsheet.

Printing a Quote

- 1 Click on the print button, the "Stripmaster print" icon in the upper left toolbar.
- 2 When prompted to enter name for the quote. (i.e. Company Name May – Aug Strip).
- 3 Click Ok

Moving Around

1. You may move from one type of quote to another by clicking on the tabs in the bottom left of the spreadsheet.
2. Simply click on the button for the type of quote you wish from any of the files.
3. If you happen to leave the program open, to update the data, click the "update data" icon in the upper left toolbar.
